### *Donal Neary SJ Gospel Reflections for Year A: Matthew*

In Galilee around the time of Jesus, there was a flourishing fish-ing industry. Peter, James and John were part of it, and they were big-time fishermen. Fish from Galilee went all over the then known empire, and to Rome along the trade route, which went through Galilee. It was kept fresh, as much food was, as we kept food fresh for years before freezers - by salting it. The word of God is kept fresh within us by prayer; otherwise our Christian life may become weak and tasteless.

A big food of Jesus is the Eucharist. His bread of life can go stale unless we 'salt' it. We salt the Eucharist by our lives. We keep the Mass alive by the way we live.

The Eucharist is entrusted to us. God gives us his Son, his food, and leaves it to us how we live by it.

Jesus invites us to be the '*salt of the earth*' - to be people whose lives are centred on helping others and making the places around us places of kindness, compassion, hope, fun and life. We don't say 'You're salt of the earth', if someone just receives communion. We are the salt of the earth if we live out our communion. The bread of Jesus is salted with the goodness of men and women, young and old, everywhere.

The real evidence for Jesus and Christianity is in how Jesus and the Christianity based on him manifest themselves in the lives of practicing Christians.

Lionel Blue

Our response then links in with the first reading - if we feed, shelter, clothe and help our neighbour, we are '*the light that rises in the darkness*'.
