### *Gospel Reflection ~ Beginning of time—wisdom ~Donal Neary SJ*

Wisdom, truth and love seem to be the themes of readings today, and that love will lead to hope.

It's a confusing sort of feast, as we cannot understand the truth of the Trinity. But we can 'hit' it from different angles.

The **wisdom** of **G**od has been born before the beginning of time. Somehow **wisdom** is essential to God - and is presented very often as female. In celebrating the **T**rinity we celebrate and ask for **wisdom**, which comes from the heart of **G**od. So this wisdom is the sort of **wisdom that comes from love**.

Love is 'poured' into our hearts by the **S**pirit. Connected with love are qualities we would want to live by - courage and hope. These are the gifts of the **S**pirit as wisdom may be the gift of the **F**ather.

**J**esus is presented by the gospel as the source of truth. His also is the truth of love, as his truth is best seen on the cross, in his self-sacrificing love.

The most famous icon of the Trinity by Rugevnev, (c/f icon below right) well-known to us now, has the Trinity at a table and an empty space at the table for us all. *In one sense, they are not completed without us!* We are part of their love, and their life of wisdom, truth and love, which they wish to share with us.

*Glory be to the Father and to the Son and to the Holy Spirit.  
As it was in the beginning, is now and ever shall be,  
world without end. Amen.*
